We are very pleased to write this letter of recommendation on behalf of the industrial insulation company "Bushev" EOOD. We have executed together with Bushev EOOD insulation works on Heavy Residue Process Complex First Phase - on the building site of Lukoil Neftochim Bourgas Refinery in Bulgaria during the period December 2014 – December 2015. We can confidently affirm that Bushev EOOD has been executing all necessary insulation works in extremely compressed time frame, but with exceptional competence and professionalism, covering all the necessary in good quality standards.
